A Discourse Concerning Conscience: A Heaven or Hell Upon Earth

NATHANAEL VINCENT (1639-1697)

Edited by Dr. Don Kistler

“The precipitous decline of faith, morality, civility, and common sense in our day has been accelerated by society’s refusal to heed the voice of the conscience. The book you hold in your hands is one of the most meticulous and interesting Puritan works on the conscience I have ever read. I know that it will spur you toward greater Christlikeness.”

— From the Foreword by John MacArthur
