# Primitive Theology

DR. JOHN H. GERSTNER

(1914-1996)

*Compiled and Edited by Dr. Don Kistler*

The late Dr. John H. Gerstner was a theologian of the first rank, as evidenced by this quote from R.C. Sproul: *"If God gave me the opportunity to apply my mind to the fullest for the next 250 years, I wouldn't begin to know what John Gerstner knew."*

He wrote long scholarly works (*Wrongly Dividing the Word of Truth* and *The Rational Biblical Theology of Jonathan Edwards*) and also shorter paperbacks. In addition, he penned a number of easy-to-read primers. Here are 12 of those primers in a single volume. The last one, "A Primer on Abortion," was not in the original edition published in 1996.

- A Primer on Apologetics
- A Primer on Biblical Inerrancy
- A Primer on the Deity of Christ
