

The Northampton Press

is pleased to announce its newest title release...

*Sermons on the Lord's Supper**

by JONATHAN EDWARDS

(1703–1758)

SECOND EDITION

Compiled and Edited by Dr. Don Kistler

Here are 9 sermons on the Lord's Supper, most of which have never been published before. In this collection, Edwards deals with the meaning of "communion." He shows that this is a very sacred ordinance, and ought to be kept up in remembrance of Christ. He shows that the sacrament is a gospel feast, and requires a great deal of self-examination.

Appendixed are 6 additional sermons, most of which were unpublished before this volume was released in 2007. There are sermons on the glorious grace of the gospel, on the new birth, on the efficacy of the preached Word, on the necessity of personal holiness for those who would enter heaven, on the worthiness of Christ, and on the happiness of God.

*When The Northampton Press began publishing in 2007, this title was our first book. It has been out of print for over 10 years.
